To: "Turley, William" <William.Turley@ct.gov>

Good morning Region 3 EMDs. Please share the recently released guidance with your school system. Just a reminder that Public Health is the lead in the COVID-19 preparation and response. Please reach out to your Health Department or District from updates, guidance, conference calls with state DPH and meetings with your unified command. The state EOC is at "Enhanced Monitoring" Status at this time. Bill Turley.

William Turley MS, AEM
